## **Conditions and World Cup regulations**

Every team will be divided in to 4 groups and will be seeded depending on the placing in the league from last season. The top four (4) from Sweden and top three (3) from Russia are placed so that the national champions only can meet in the finals. The other teams will be placed by the organizer and FIB. The play offs will take place directly after all four (4) groups are completed and the winner will be celebrated directly after the final. There is no game to place a second runner up. The matches will be played 2 x 30 minutes. This tournament is played by FIB: s rules.
